My Beloved in the Lord

I am more glad than words can express to be able to enclose to you a copy of the minutes, we have sent to San Juan for the purpose of the registration, which I hope will meet your approval.

I took also the liberty of taking for granted your acceptance of the office of General Counsellor of this Church in order to send the two resolutions together so as to have your name registered, and also because I am thoroughly convinced that this is the will of God, to which you are wholly consecrated.

And now my beloved Brother, let us look back on the Providential way in which the Lord has brought us together and has kindled His holy fire in our hearts, and we shall have the assurance that He has chosen us before the formation of the world for a work together, the veil over which He is just beginning to lift. And after praising Him for His mercies towards us, let us look forward to the coming of our King that we may give an account of our labors with joy at His appearing.

I shall send you the papers of your nomination later, and also a copy of the Incorporation papers with By-Laws, and subjects for special prayers and resolution.

And meanwhile the grace of our ^{Lord} Jesus Christ be with us
My love be with you all in Christ Jesus -

Mmanuel
