The Heart of the Annunciations

My dear Bishop Ferrando,

Your welcome letter has just come to hand & so I am sending this to you.

Since writing you I have had some communication with Doctor Arthur Gray of 281 Hawthorne Ave & he is now I believe in Porto Rico & has taken my name to Bishop Colmore.

Doctor Gray wrote me something about the re-orientation V.I. but as yet I have not heard in fact I suppose I have hardly had time but your kind letter pleased me so much I felt I must answer.

I stand in much closer spiritual relationship to you than you realize & you

letter seemed like as for a old friend,

I am going to New York Thursday, I will
call on 281 5th Ave, & try to find out
what they in regard to their plans for me
for I want begin to know soon as I have
resigned this position to take effect the
first of July or before & so want know the
the idea of what I am to do.

It would be most delightful if I
should have the pleasure of seeing you
& under you for I may say that I
think we have many things in common & I
feel we we should be congenial.

I will also see Doctor Plummer
while in New York & will look
forward to seeing you when you are
up north.

I tell you frankly I would love

walk under you & if you think best
you might talk the matter over with
Bishop Colmore.

Mrs Miles & I took the physical
examinations required by the Board of
Missions & my physician told me we
passed a no 1 so we have nothing to
fear on that score,

If you want us I wish if you can
find the time that you could write
me telling me what we would have to
bring with us in the way of clothing,
furniture etc extra & also what we
would find to work with in the field.

I feel certain we would be happy with
you for I want work where I can see
what I am doing for Christ for this
seal at the top of my paper I have

Adapted to the motor-express exactly
by ideal in the service of Christ.

I have been altogether fourteen years in
Church work & I long for a fresh
& a greater opportunity.

I don't know much of the work at ~~Widened~~
& don't know where I could do the most good,
at ~~Widened~~ I believe the friends there has
six hundred commitments & it may be best for
me to go there but if I should I hope that
we may know each other better for then
you would still be as of my Parish.

I suppose any relationship either you & I
might have in New York should of
course not enter into matters with any
else but between us it makes matter
very clear & gives no doubt a voluntary of
the other.

v

Which should make it easier for me to
assist you or carry out your plans in regard to
school work or other matters.

With best wishes to you in your work &
hoping that the Blessing of the Everlasting Father
the Prince of Peace & the Holy Spirit may be
with you in your work & all.

Devotely & fraternally yours,

Charles E. Niles Pint
