The Right. Rev. E. Ferrando, D.D.,
Mountain Lakes, N. J.

My dear Bishop:- We leave Washington to-day for home. I shall return to Washington to preach at The National Cathedral on August 26th. If you so desire I could meet you at the Church Mission House early on Monday morning, August 27th. Under the circumstances I do not think that it would be advisable to make a regular appointment with Bishop Sailor, but we can just "drop in" on him. Now if you feel that any good purpose can be served by my coming on from Washington to New York on that date, please let me know, & I will take a "thru" ticket to New York from Orlando. A letter mailed any day this week to the Deanery, 10. E. Jefferson St, Orlando, Florida, will give me ample time to make my arrangements.

after Saturday the 18th, a night letter should be sent. Of course, I shall be guided by your advice. This is however the last opportunity I shall have of visiting you & seeing anyone at the Mission House, this year.

M^{rs} Long joins in sending kindest regards to M^{rs} Ferrand & Edith & yourself, I remain,

Yours very sincerely,
C. Stanley Long
