My dear Bishop Colmore:

Thank you for yours of the 14th and for your kind invitation to spend a day with you in Mayaguez which we certainly would enjoy. However, I received a cable yesterday telling me Mrs. Foran had left from New York today and is expected to arrive in San Juan next Monday. She says in the cable that Arturo is better so I expect she is taking advantage of it to have a much needed vacation from the sick-room atmosphere. So until she arrives we are unable to make any plans.

I merely want to assure you on my own part and this good family of Valentines that we are grateful for your kind invitation.

I have passed the two inclosures to Mr. Valentine for which is thankful and at least one he is going to answer at once.

I hope if you are nearby you will not fail to call on us. With kind regards to Mrs. Colmore and the family, I am cordially yours

At. Rev. Chas. B. Colmore
