

MISSIONARY DISTRICT OF PORTO RICO
OFFICE OF THE BISHOP

SAN JUAN, P. R.

P. O. BOX 1115.

Dec 31 1924.

Dear Bishop:

We were so occupied during your visit I quite forgot to tell you that the Villafanes would probably be ordained to the priesthood next Sunday morning, Jan 4th. They have stood their examinations and the Council of Advice will hold their meeting tonight. I see no reason why they should not get through and be ordained.

I realize it will be a hard trip for you to come back here for next Sunday, and it is not entirely necessary for you to do so. We all want you here and I would especially like to have you take part in the ordination also, I want you to know that we are thinking about you and desire your presence and help. If you are not too tired and can come conveniently please do so, otherwise we will get along without you, but poorly. Would you be good enough to send me a line, upon receipt of this letting us know

whether or not to expect you.

am looking forward to the pleasure of seeing
you in any case next Wednesday. Hoping
all of you are well and with warm
regards to all the family, believe me,

Very sincerely affectionately,

Chas. B. Brown.
