Dear Bishop:

Your letter just received today. Please get the \$25.⁰⁰ gas stove. I won't have a chance to buy chairs here so you had better try to borrow some for them to begin with. It is all right to go ahead with the clearing and repairs to old furniture. Thank you for your great interest and the care you are taking to make the Locke's comfortable. Am sure they will deeply appreciate it as do I. Am planning to take them over to Ponce on Saturday of this week. Will hope to get here for lunch.

Will attend to the matter of sending you the money at once. Have written to Dr. Gray asking if the rent could be used for the purpose of water system ~~vs~~ at Quebrada Limon. Will advise you as soon as I hear. Thanks for your attention to all of us on our

recent visit. all of us greatly enjoyed
it. with best wishes to all, believe me,

Very sincerely,

Chas B. Colman.
