My dear Bishop Colmore:

Your letter of June 11th received and certainly we are glad for the action of the Board.

We have attended to the selection of the lumber and expect to have it here in a day or two. I will be glad to have some money this week as according to arrangements we have to make a payment now and the rest weekly according how the work progresses.

We are very glad to hear that you intend to come to see us this week and am very glad to assure you of our cordial understanding in the agreement in the matter of benefit to this mission.

Hoping that you had a very pleasant trip to Santa Cruz, I am

Cordially yours
