My dear Bishop Colmore:

When we make our allotments in July we like to send out, with each assignment of work, a copy of a description of the work being done at the mission we are asking the Auxiliary to work for. We find that we have no account of the work being done by Bishop Ferrando at Quebrada Limon and we are most anxious to use a description to arouse the interest of the group who are to make the things for this mission.

Would it be possible for you to have such an article written for us. We are sorry to trouble you but we know how invaluable the information would be in our work.

With all good wishes.

Very sincerely,

Madam K. Wade

amp

Supply Secretary.

Dear Bishop: would you and Mrs Ferrando not please write the account of the work Mrs Wade needs. I am not sure if this story should be about the older people i.e. a general account of the work or about the children. Would you write and ask Mrs Wade about it?
With all best wishes, Very sincerely
Charles B. Colmore
