OFFICE OF THE BISHOP

P. O. BOX 1115

March 1, 1924.

SAN JUAN, P. R.

Rt. Rev. Manuel Ferrande,
Box 776,
Ponce, P. R.

My dear Bishop Ferrande:

This check, in accordance with my pledge made at Convocation, is towards paying off the deficit on the 1923 Missionary Quota for Porto Rico, being one-tenth of all the income I expect to receive for the month of March, from any and all sources whatsoever. Though the income hasn't yet "come in", I knew of a certainty what it will be, so am able to calculate it in advance.

Trusting that this deficit may be turned into a "balance" and with all good wishes to both you and Mrs. Ferrande, I am,

Very sincerely,

Mary A. Washburn
