

MISSIONARY DISTRICT OF PORTO RICO
OFFICE OF THE BISHOP

P. O. BOX 1115

SAN JUAN, P. R.

March 18th 1928.

My dear Bishop:

Am very sorry I had such a short time with you on Saturday as I find there are several things I wanted to talk about which we did not get to. I hope you will go over to San Juan one day this week before Thursday so we can have an opportunity of a few hours together before I sail.

If you expect to go over on Tuesday, please telegraph me as I had planned a visit to Manati on that afternoon but can postpone it if you are to be in San Juan that afternoon. I cannot offer to put you up at the house as Mother Rose from St Thomas will be occupying our spare room.

Please remember us to Mrs Fernando, Edith & Bill when you write.

Hoping to see you this week and with all best wishes I am always,
Very sincerely yours
+ Charles B. Collins
