

MISSIONARY DISTRICT OF PORTO RICO  
OFFICE OF THE BISHOP

P. O. BOX 1115

SAN JUAN, P. R.

May 31st 1928

My dear Bishop:

I have this week received the enclosed letter from Dr Gray, relating to the construction of Mr Valentine's house. This letter was in response to mine asking for the check for the \$2000. which was voted for the purpose.

In accordance with the last paragraph, will you ask Mr Valentine to prepare his plan and specifications and send them either to me, or direct to Dr Gray in New York. In case they are sent direct to Dr Gray, will he please send me a copy so that I may give my formal and official approval? They should be sent as early as possible, before next week's mail, as I am leaving next week for Santa Cruz and expect to be away for about ten days. Also a letter from Dr Gray says he will be away from his office during July and August and requests that all our business that can be foreseen be finished as early as possible before that time.

With best wishes and hoping that all of you continue well, I remain with kind regards to all,

Very sincerely yours,

*Chas B. Colver*

P.S. Are you planning to go North at any time in the near future? I would like to know in advance so as to make any necessary arrangements.
