My dear Bishop : -

Today finds me back in the Office, and I guess to stay until Spring at least, Been away considerable this summer, and I find that the average Tenant does not pay unless some one is on their trail, My own Tenants are mostly Two & Three months in arrears, The tenant in your house says he will give me a Cheque the first of the week to pay his rent up to the 22nd of this month, He has done a very good job on the Screens, and seems to be taking good care of the house.

He is now anxious to know what you will exact from him for the winter Months as rental.

Hope to have my rental business in hand soon again, and will mail you Cheque in full to date, *right soon.* -

Winter Visitors and others from the North are coming in at a rapid rate during the past few weeks, and we have every indication of a busy Business season.

Trusting this will find you and yours as well as it leaves me and my little family I remain with kind regards,

Very truly yours,
