Bishop Manuel Ferrando,
Ponce, P.R.

My dear Bishop:

Dr. Gray of our Board of Missions sent me a copy of your letter, and I see by the paper that you have arrived in Porto Rico. I should be most pleased to make your acquaintance and hope very much that we can arrange to see each other while I am in Ponce this week. I will reach Ponce on Friday night and will remain through Sunday. Would you be good enough to communicate with Father Haughwout, our Rector in Ponce, letting him know when you will be in Ponce and where I might be able to see you. Looking forward to the pleasure of seeing you,
I remain,
Very faithfully yours, Chas. G. [unclear]
