

Quebrada Limón  
March 30/27

My dear Dr. Wood -

As I promised you, I enclose herewith a letter that I have sent to Bishop Colmore. I am very sorry that circumstances have called for it - but I felt that I had to do it, against my will or desire, and only for conscience's sake -

Everything is in statu quo. We have made no changes, and I am waiting to hear from the Board of Trustees - as to whether I am right in regard to the ownership of the property, as this is the only restricting power left to me -

With our greetings and kind regards -

Sincerely yours
