Dear Fr. Moore:-

In regard to the Ecclesiastical History of Puerto Rico, written by me for the Survey, please kindly add to second paragraph, page 45 the following:

A piece of land at Calle Comercio, Bayamón, given to the Church for a Chapel by Dr. Jesús María Amadeo, personal friend of Fr. Aristides Villafañe, was sold for the benefit of other project in the San Juan area. *also*

and also paragraph three, page 64, the following statement should be made.

"St. John's Cathedral Academy is and has always been a self-supporting institution."

Thanks very much for kind attention to this matter.

Very sincerely yours,

E. Reus-Garcia,
