My dear Sir,

After posting my receipt to  
you for ~~check~~ for \$122.46 sent me  
on 4<sup>th</sup> September, I received a letter from  
Mr. John W. Wood, dated 17<sup>th</sup> September,  
respecting the stipend to be paid me

That was fixed by the Board of Managers  
on the 16<sup>th</sup> inst.

In referring to that letter you will  
find that you have drawn the check  
at too high a rate, viz \$1200 per acre,  
the figure arranged for by the Board  
being only \$1000 per acre.

I do not return the check, but draw  
your attention to the mistake that has  
been made that it may be arranged.

Very faithfully yours,

David W. S. Land
