John W. Wood Esq.  
corresponding secretary,  
Claude Muisinis House.

My dear Mr. Wood,

I enclose a letter which, by  
this mail, I am sending to Bishop Van  
Rensen, and, by which, you will see that  
I am not satisfied with my work  
here, and will be unable to continue  
it unless there is some change.

My object in writing you is (as in the  
first instance, my application was made  
to you), to ask whether, should there be  
nothing but what is outlined in my letter  
for me to do here, the Board may not  
have some other field in which I may  
be employed more energetically.

With kind regards,

Yours very faithfully,

David W. Blaud
