Rev. Julia Kumber,
Associate Secretary,
Church Mission House.

W

My dear Sir,

Referring to your letter to me of 3^d.
inst., I now write to say that I am desirous
of Mrs. Blandi joining me here as soon as
practicable, and have written her to
make her arrangements, if possible, to sail
by either the steamer of the 26th inst or
that of the 3rd October. On receiving my

letter, she will promptly inform you what
state she has decided to leave, and I
should be glad if you will help her in
every possible way. - She is a bad sailor,
and it would be wise for her to share
a cabin with another lady.

I am very favourably impressed with
the Wble I have seen of Puerto Rico.
Our services are being well attended at Mt
St John's and St. Lukes. The work at the
church building is commenced, and the
old house is being rapidly removed. The
contractors will, I am informed, be ready
to commence their foundations in about

a fortnight. The completion of the church
will give a great impulse to the work here.

Believe me,

very sincerely yours.
